6. [] In response to his call to the Director's office, I talked to Mr. Wendell Johnson, Legislative Assistant to Representative Alvin O'Konski (R., Wis.). Mr. Johnson indicated that he was calling on behalf of Mr. O'Konski and would appreciate it very much if the Congressman could be provided with a wall plaque of the Agency seal. I advised Mr. Johnson that I did not believe that there were any available at the present time and that I would be pleased to relay his request and be back in touch with him the first of the week.

7. [] In the absence of Senator Birch Bayh, delivered draft speech prepared by DDP on civic action and U.S. mission non-military programs in Vietnam to Mr. Robert Keefe, Administrative Assistant. Pointed out to Mr. Keefe that the material was not being submitted as a polished text but rather was an effort to present the Senator with the basic information so that he could cull out from it that which he wished to emphasize himself. Also emphasized that there should be no attribution and said we would be most interested in the Senator's final product. Mr. Keefe said he fully understood and said the material would be delivered to the Senator as soon as he returns to the city on Saturday morning.

8. [] Met with Mr. William Spring, new Legislative Assistant to Senator Gaylord Nelson (D., Wis.), and touched briefly on the FECA amendments' progress in the House Committee. Mr. Spring said the Senator had not been too active on the Labor Subcommittee, but he agreed that the Senator might indeed support liberalized FECA amendments, and I promised to drop some material by on this subject for Mr. Spring's consideration.
